RISK MANAGEMENT SERVICES
Solid. Solutions.

Dear Valued Customer,

We'd like to share some exciting news. Effective April 1, Petra Risk Management Services has entered into a strategic partnership with Sunstar Insurance Group.

What does this mean for you? *It is business as usual.* Same name. Same leadership. Same people. Same mission. But, by being a member of Sunstar, the 44th largest insurance agency in the country, this means we have some extra horsepower. More markets. More buying power. More resources. More services. More industry-specific expertise. And that means more success for you...

Our mission is to help you *achieve greater success*. Yes, we are in the **insurance, risk management**, and **benefits** business, but ultimately all paths lead to your success. We're here to help you protect what matters most so you can prosper in your life and business.

We believe now, more than ever, we are in a position to help you *achieve greater success*.

We are very proud to be your insurance advisor and we greatly value our ongoing relationship. Again, thank you for your business and confidence in us.

Kindest Regards,

Steve Nesbitt
